Click on import a scorm to import the package

The screenshot shows the SCORM Cloud dashboard. The top navigation bar includes the SCORM Cloud logo, user name 'Alpha alpha', and a '+ Add Content' button. The main content area is divided into sections: 'Recent Courses' (with a 'Go to Course Library' button), 'Your Recent Activity' (with a 'Signed up for new trial account' entry and a 'Go to History' button), and 'Recently Active Users' (with a user card for 'Alpha alpha' and a 'Go to People' button). A dropdown menu is open from the '+ Add Content' button, listing options: 'Import a SCORM, AICC, xAPI or cmi5 package', 'ScoTube - create a course from a video', 'Quizzage - create a quiz or survey', 'Import from your FTP space', and 'Rustici Driver - Add the best SCORM conformance to your content'. The 'Import a SCORM, AICC, xAPI or cmi5 package' option is highlighted with a red box.

Upload a SCORM, AICC, xAPI or cmi5 course

Import to a specific App

The screenshot shows the SCORM Cloud interface. On the left is a sidebar with navigation options: Alpha alpha, Settings, Logout, Your Realms, Home, Library, People, Dispatch, Invitations (highlighted), and History. The main content area is titled "Invitation to GST | E-way Bill" and shows it was created on 12 Dec 2019 02:42 PM UTC. It displays a public invitation URL: `https://oloud.scoorm.com/so/InvitationConfirm/Email?publicInvitationId=e830fd2a-ecd9-4ab0-9dec-f2b55a37efa8`. Below the URL is a "Regenerate URL" button. A status section indicates "This invitation has 0 registrations" and includes an "Optional) Specify a maximum registration count, or use zero/empty for no cap: 0" field with an "Update" button. At the bottom, a message states "This invitation is currently open to new learners" with a "Close" button.
